VERSATILE FOLD-DOWN SIDE PANELS

The 140D come standard with 18" Tall, 12-Gauge Fold-Down Panels that allow for easy loading and unloading of cargo or aggregates.

COMBO GATE

The rear doors act as both barn doors as well as a spreader gate, offering the ultimate in versatility.

STANDARD 7' RAMP

With the 10-Gauge floor, combined with standard ramps, and 4 D-Rings, the 140D is designed to be durable for whatever equipment needs to be hauled.

EFFORTLESS MAINTENANCE

Our forward self-adjusting brakes make brake maintenance a breeze. The system automatically adjusts the brake shoes as they wear down, eliminating the need for manual adjustments.
