## DUAL TWO SPEED LANDING GEAR

The 50K dual two speed landing gear are ready to help you stabilize your load during loading, unloading or storage.

## HD ADJUSTABLE SUSPENSION

A durable and long-lasting suspension system ideal for heavy-hauling over long miles.

## SECURE YOUR LOAD OPTIONS

This goosneck trailer is equipped with Heavy Duty 3/8" side rails, stake pockets, and chain spools to maximize your ability to secure your load.

## HYDRAULIC DOVETAIL

The standard 9' Cleated dovetail with wood between the runners has a lifting capacity of approximately 8,000# and carrying capacity of 4,000#.
