ENHANCED STRUCTURE & STRENGTH

These models feature square tubing for increased strength and structure, offering superior resilience compared to typical angle top rails.

SILVER MOD WHEELS & QUICK-LUBRICATING HUBS

15" Silver Mod Wheels and Quick-Lubricating hubs combine together to make a stylish and reliable trailer that looks great and is easier to maintain.

VERSATILE 4' REAR RAMPGATE (OPTIONAL)

Expand your hauling capabilities with the optional rear ramp gate, ideal for transporting a variety of vehicles, including golf carts, ATVs, side-by-sides, and more.

DURABLE TREATED WOOD DECKING

The robust 2" decking is treated for long-lasting durability.
